OK-LA DANCE CONNECTION

We promote quality over quantity and are offering one day events to ensure Judges are on pointe and able to provide consistent valuable feedback. Our Judges are specialized and technical across the board stylistically. We put the most trained voice in your genre so your feedback is meaningful and helpful. We want to inspire your dancer on and off the dance floor.

We can't wait to cheer your dancers on and promote them on and off the dance floor. Xoxo

At OK-LA we don't believe in keeping you at a venue for three days. We are not about excess. We do it because we love it. We want to provide a safe space in Oklahoma for dancers to grow and hope to be part of their growing process over the years. At OK-LA, you are not a customer, but a part of our dance family. We want to partner with you in building your dancers on stage and also in life. We believe words have power and we want to use words to build life. We are here to love on your kids and to be a candle builder where we create an atmosphere conducive to letting people shine. We want to meet your dancer where they are along their dance journey - from a novice to advanced dancers and elevate them to become the best version of them they can. Let's build the dance future with technical knowledge coupled with love.
